Management of Madani Schools Federation Sports Facilities

Location: Madani Schools Federation, 77 Evington Valley Road, Leicester, LE5 5LL

Madani Schools Federation wishes to tender for the management of the school Sports Facilities.

Madani Schools Federation is seeking a partner who will not only manage the return of the many sports groups, teams and activities, but also seek to expand the services and maximise the facilities to benefit the mental and physical wellbeing of our community. The impact of Covid-19 saw the Sports facilities close in March 2020 and it has limited re-opening to Sports Groups since that period.

Ideally, the Federation is seeking a pro-active partner to propose new ideas and plans to deliver a wider variety of activities and maximise the opportunities for usage in the afterschool, weekend and holiday periods.

The Sports Facilities comprise:

- A large multi-purpose sports hall with changing rooms
- Outdoor 5G artificial pitch
- Outdoor multi-function artificial pitch
- Outdoor Changing block

Tenderers have a great deal of flexibility in how they structure their service delivery, which should include:

- Hire of Sports Hall for Sports clubs and Societies
- Hire of pitches

Period:

The contract shall be initially awarded for a 1-year period from 01 October 2022 until 31 September 2023 (subject to satisfactory performance and the outcome of periodic reviews) with the option to extend for two further periods of one year (i.e. two years in total, subject to satisfactory performance).
